## Board Member Biography

### Howard Chow, President

Howard at a young age started working in a hair salon focused on supplying wigs to cancer patients, his primary duties were reception desk and computer support. He remembers the smiles the clients would have once the wig was fitted and styled. This led him to join the top luxury hotels companies in the world to see more smiles. His passion in providing excellent customer experience and “do it right” attitude gave him the opportunity to meet many people in different walks of life. Now, Howard has decided to go back to his first position and start a non profit company to provide wigs at no cost to patients and use his network of contacts to make it a success.

### Xiaoping Shen, Treasurer

Xiaoping works in the medical hospital industry and is a medical doctor. Howard was recommended to her, for her knowledge of cancer patients. Her guidance on which type of wig material, ie human hair or synthetic hair to use or the cap material to use for the clients. Renew By Hair is able to provide the correct product for their clients with this information.
